7th/8th grade Course Request Form 2018-2019

FIRST NAME: _____ LAST NAME: _____

CURRENT SCHOOL: _____ ID: _____ CURRENT GRADE: _____

Please complete this form to the best of your ability. You may use the Academic Course Guide for assistance. The Academic Course Guide includes detailed course descriptions and an overview of both required and elective classes.

We will do our best to honor student course requests. However, placement in requested classes is not guaranteed. The school counselors and classroom teachers will place students into accelerated and/or support classes as necessary, to ensure that students are appropriately challenged. Course availability also affects a student's schedule. Space is limited in Special Topics classes and the Art Elective. Eighth graders have priority in being scheduled into these classes (though it is unlikely to be scheduled into more than one special topics class). Seventh graders may be assigned as space allows.

ALL ELECTIVES CLASSES ARE YEAR-LONG!

Required courses for 7th/8th grade students: Advisory, English Language Arts (ELA), Math, PE/Health (one semester each), Science, Social Studies
