

Yearbook Name Change Request

Justice Page Middle School understands that some members of our community may wish to use a name other than their legal name. We will use an alternate name for a person when the name is the one that best represents that person.

If you want to use a different name in the yearbook, you may request it using this form. All requests for name changes will be reviewed and considered by JPS staff and administration.

Please fill out the information below if you wish to have a name other than your legal name printed in the yearbook. All fields are required! Completed forms can be turned in to the main office.

By submitting this form, you give permission for the student's photo and requested name to appear in the yearbook.
