

## MISSION

Justice Page Middle School is an inclusive community committed to the success of each learner. We pursue growth, justice and positive change while celebrating our differences, expanding our curiosity, and having fun.

### Strategy 1: Assessments & Grading Practices

Teach alike teams will meet as PLCs to analyze student work in order to develop and/or refine common assessments. Justice page will *coordinate* grading practices using the Justice Page standards-based grading rubric and the MYP grading scale.

### Strategy 2: Student Voice

Teachers and staff will provide intentional opportunities for student voice and choice in the classroom.

### Strategy 3: Implementation

Teachers and staff will receive explicit instruction with criteria of implementation of Crew expectations.

### Strategy 4: Climate

Justice Page will actively gather student input on safety concerns, focus on intentional relationship development among students through Circle of Trust, and create signage for bathroom routines.

## Vision

We work together to educate and support the whole person. We encourage students to think critically and achieve greatly, while cultivating a global mindset honoring diversity and growth.

### Goal 1: Academic Achievement

- 65% of all students will make typical or aggressive growth on the FAST Math 2022-2023 Fall-Spring Assessment.
- 55% of BIPOC students will achieve typical or aggressive growth on the aMath FAST Assessment from fall to spring.
- 55% of Native students will achieve typical or aggressive growth on the aMath FAST Assessment from fall to spring.
- 75% of students will achieve typical or aggressive growth on the FAST aReading 2022-2023 Fall-Spring Assessment.
- 60% of BIPOC students will achieve typical or aggressive growth on the aReading FAST Assessment from f to s.
- 60% of Native students will achieve typical or aggressive growth on the aReading FAST Assessment from f to s.

### Goal 2: Student Well-Being

Student self reported agency at Justice Page Middle School will improve from 32% to 45% on the Cultivate Survey in Spring 2023.

### Goal 3: Effective Staff

By the end of the year, all staff will consistently implement school-wide strategies with fidelity: Circle of power of respect (Crew), Created and signed social contracts, "Tab In"

### Goal 4: School Climate

The percentage of students reporting "feeling safe" will increase from a scale score of 10 to 20 by Spring 25 as measured by the 5E survey.
